Field Equipment Grant

Eligibility: This grant is only available to primary, secondary and tertiary educational Institutions within the United Kingdom.

Description: This grant is designed to enable institutions to buy field equipment to aid in the instruction and understanding of soil science.

Value: up to £1000

Application Deadlines: 1st April and 1st September

The following criteria must be met in order to qualify for a Field Equipment Grant.

- Application for school grounds development will not be considered under this grant.
- The applicant needs to be in charge of the project and have full institutional support.
- The equipment purchased must be demonstrated to provide a worthwhile experience of Soil Science and be used to provide training and experience in the use of basic field skills.
- A report on how the equipment is being used must be received no later than 6 months after the issue of an award.
- Published papers. Reports to other organisations etc. Should include an acknowledgement of the support from BSSS.
