

THE BRITISH SOCIETY OF SOIL SCIENCE AND THE SOIL SCIENCE SOCIETY OF
IRELAND

2023 JOINT ANNUAL CONFERENCE

MONDAY 4 – TUESDAY 5 DECEMBER 2023

Soil Management and Monitoring

THE CALL FOR ABSTRACTS IS NOW OPEN

We are currently accepting abstracts for presentations at our 2023 Annual Conference.

The abstract review panel is accepting abstracts in one of five topics, which link to the conference theme, *Soil Management and Monitoring*:

1. Nutrient Management
2. Soil Carbon
3. Water Management and Quality
4. Technology and Innovation
5. Soil Health

You are invited to submit your abstract on the form [here](#).

Please note: Abstracts will only be considered if they meet the following criteria:

- Length: Maximum of 500 words
- Keywords: Up to 10 descriptive 'search' keywords must be included
- Details: Lead author's organisation and email details must be included

Focus the weight of the abstract on the content of your presentation and not the background and context.

In the interest of fairness, all abstracts will be blind reviewed. Please do not include your name, institution or other identifying characteristics in the 500-word abstract.

Oral presenters will be invited to provide a 15-minute talk to the entire audience.

Poster presenters will be expected to be available at their posters during the designated poster view times during the conference.

Abstract submission will be open until **Thursday 6 April 2023**. Successful presenters will be notified by **Friday 19 May 2023**.

British Society of Soil Science Cranfield University, Building 42a, Cranfield, Bedfordshire MK43 0AL
